2015 MIDDLE SCHOOL SPORTS CAMP NEWSLETTER

Monday: Middle School Sports Camp began with basketball skills. The campers practiced layups, free throws and dribbling. They all enjoyed a scrimmage to end the morning. After lunch, we went to FLAC (Four Lakes Athletic Club) for tennis practice. We worked on forehand, backhand and serves. We played mixed doubles.

FUN

Wednesday—The middle school sports camp went to the Lake Geneva Disc Golf course for 9 holes in the morning and 9 more in the afternoon. Of course, lunch was held in between. After completing the 18 holes the campers came back to WSD for free gym time.

Tuesday was soccer day. Our special guest, Matthew Eby instructed the campers in basic skills, (dribbling, stopping and passing). After practicing shots, the group played a passing game against the wall. In the afternoon, we went to the Mill Pond for a relaxing dip. The water was cool and refreshing.

Thursday: The morning saw balls being bumped, set and hit. Good form and soft hands were emphasized and practice "game" 6 vs. 6 was enjoyed to work on the skills learned. The afternoon brought warm weather and a refreshing dip at the Mill Pond. All had FUN!

Track & Field was the sprit of the day for Friday. Running, jumping and throwing events were held. Cooler weather greeted us in the morning out at the track. This was a great way to end the week. We hope everyone had fun and we look forward to next year's camp.
